There are so many

## Birds!

Look in the trees, at the sky, in the bushes, and on the ground.

How many colours of birds can you see?

| <input type="checkbox"/> Black                           | <input type="checkbox"/> Blue             | <input type="checkbox"/> Red  | <input type="checkbox"/> Multi-coloured |
| <input type="checkbox"/> Grey with a bright orange chest | <input type="checkbox"/> Orange and black |                               |                                         |

Are any of these birds your neighbours?

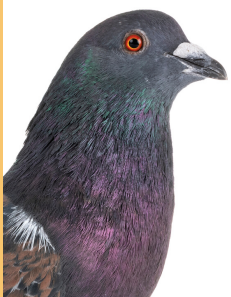

A grownup can help you identify who is who!

Look again  
TOMORROW!

Maybe you will see  
different animal neighbours.

Maybe you can look every  
day for a week!
